

NCCA District Curriculum Maps 2023 - 2024

Teachers at the NCCA are utilizing Curriculum Maps as they prepare to teach curriculum content aligned with the North Carolina Standard Course of Study. Curriculum Maps include a list of standards, an estimate of the number of days expected for each unit, assessment information, and curriculum resources. Please select the grade level or course Curriculum Map for your student(s) to see the content and standards that will be covered throughout the school year. We hope that you find these resources helpful.

Elementary	ELA	Math	Science	Social Studies
	Grade K	Grade K
